INDEPENDENT AUDITORS' REPORT

To the Board of Directors Boys & Girls Club of South San Luis Obispo County Oceano, California

Opinion

We have audited the accompanying financial statements of the Boys & Girls Clubs of South San Luis Obispo County (a non-profit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Boys & Girls Clubs of South San Luis Obispo County as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Boys & Girls Clubs of South San Luis Obispo County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Boys & Girls Clubs of South San Luis Obispo County's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boys & Girls Clubs of South San Luis Obispo County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial
 doubt about Boys & Girls Clubs of South San Luis Obispo County's ability to continue as a going concern for a
 reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 – HISTORY AND ORGANIZATION

Boys and Girls Club of South San Luis Obispo County is a non-profit, non-stock corporation, organized under the laws of the State of California. The Organization's purpose is to foster and promote the physical, social, educational, vocational and character development of boys and girls living in or near the area of the Five Cities and San Luis Obispo County of California.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Organization uses the accrual basis of accounting. This policy conforms with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board (FASB) and the American Institute of Certified Public Accountants (AICPA).

B. Basis of Presentation

Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Organization must continue to use the resources in accordance with donor's instructions.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

D. Cash Equivalents

Cash and cash equivalents include all liquid investments including money market accounts and certificates of deposit.

E. Fixed Assets

Property and equipment are recorded at cost. Repairs and maintenance are charged to expense when incurred. Depreciation expense is calculated on the straight-line method over the useful life of the related asset.

F. Investments

Investments are carried at fair value.

G. Income Taxes

The Organization is a not-for-profit corporation exempt from federal taxes, under IRS code section 501 (c)(3), and state taxes, under California code section 23701d.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

H. Uncertainty in Income Taxes

Effective July 1, 2009, the Boys & Girls Club of South San Luis Obispo County implemented the new accounting requirements associated with uncertainty in incomes taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examinations by the tax authorities. It also provides guidance for de-recognition, reclassification, interest and penalties, accounting in interim periods, disclosure and transition.

As of December 31, 2022, the Boys & Girls Club of South San Luis Obispo County had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

With few exceptions, the Boys & Girls Club of South San Luis Obispo County is no longer subject to U.S. federal and state income tax examinations by tax authorities for fiscal years before January 1, 2018.

I. Special Events

The Organization conducts special events to raise funds used to support its program operations. All events are conducted in accordance with applicable federal, state, and local laws and ordinances. All revenues received from such events in excess of expenses are used for the current program operations.

J. Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The loan and accrued interest are forgivable in the amount used for eligible expenses during an eight week or a twenty-four week period. Eligible expenses include payroll, payroll benefits, rent and utilities. The amount of loan forgiveness will be reduced if the Organization terminates employees or reduces salaries during that period.
